**FOR IMMEDIATE RELEASE:
Sauti Sol: 2014 MTV EAMs/Channel O Nominees
Release OFFICIAL SURA YAKO Music Video**

African Top Band, Sauti Sol (Kenya), release SURA YAKO (YOUR FACE) official music video, the fourth single off upcoming Sauti Sol third album: LIVE AND DIE IN AFRIKA. The video plays out a typical Kenyan pre-wedding ceremony (ruracio).

SURA YAKO has been produced by Sauti Sol/ co- produced by Cedric "Cedo" Kadenyi. The video has been shot and directed by Kenyan director Enos Olik of Bokeh Family.

SURA YAKO's message applauds the beauty of an African woman. Its production heavily borrows from Kenya's authentic coastal beats of Chakacha. The dance song flaunts Sauti Sol's diversity and wide array of musical inspiration while upholding their harmonious mix of voices.

After SURA YAKO's spinoff LIPALA DANCE, a successful dance competition via Instagram sparked an online Lipala Dance movement in Africa and across the globe.
